

# Gateway Summer Camp 2011 Information

Our Gateway Summer Camps are for children who are toilet trained through children finishing kindergarten. We will meet each morning from 8:30 a.m. through 11:30 a.m. Gateway summer camps will follow a new theme each week. These fun filled themes will help us organize our daily activities.

We ask that you review our weekly themes below and mark an "X" in our attendance grid on the Gateway Summer Camp Registration Form to indicate the days you would like your child to attend our Gateway Summer Camps. Please note that our first summer camp (May 31 – June 3) will be held from Tuesday through Friday due to the Memorial Day holiday. Remaining camps will be held Monday through Thursday.

Along with art, blocks, computers, dramatic play, fine motor, gross motor, language arts, music, science and social studies centers and activities set up inside and outside the school, the children will also have the opportunity to experience:

## **BUBBLES**            May 31 – June 3

*Come explore the world of bubbles with us. We'll have tons of fun experimenting with bubbles and participating in cool activities such as making bubble wands, 3-D bubbles in a variety of shapes, car washing, and even putting ourselves into a bubble!*

## **LET'S GO EXPLORING 1**            June 6 – 9

*Where shall we go? To the moon, out west, on a beach, and on a safari! Each day we will travel somewhere new and exciting. Come dressed for a day of exploration.*

## **LET'S GO EXPLORING 2**            June 13 - 16

*And we are off again! Under the sea, to the cold north of Alaska, deep into the rain forest and then off to another country. Exploring is so much fun we just keep on going.*

## **BOXES REVISITED**            June 20 - 23

*Big boxes... small boxes... short boxes... tall boxes... a Gateway world of boxes for building and imagining. We will use our imaginations to create a box masterpiece... a box village... a box hideout... box cars... box clothes... Come to Gateway and step out of the box.*

## **OOEY GOOEY MIXTURES**            June 27 - 30

*Like to get messy? We will experiment with different substances daily. Squishy, icky, ooey, gooey. Our experiments will lead us through the world of a scientist. Come help us analyze the fun.*

## **THERE'S MUSIC IN THE AIR**            August 1 - 4

*Rhythm... melody... harmony... movement... dance. We will jump into the world of music and explore the elements of music's creation. Come sing, dance, and play with us.*
